	<p>To offer a range of Outdoor Adventure Activities.</p>	<p>Residential – Robin Wood Year 5 and 6</p>	<p>£5000</p>	<p>Year 5/ 6 children visited Robin Wood in the Lake District. They took part in a variety of activities including archery, zip-line, raft-building, canoeing and the crate challenge. Focussing on team-work, communication, respect, honesty, passion, support, encouragement and determination, the children applied the fundamental cross-curricular skills applied in PE and all lessons to be successful in a broader context. The legacy of the residential provides children with a once in a life-time experience, building their independence and better preparing them for their transition to secondary school.</p>

Key Indicators	Intent	Implementation	Spend	Impact
Increased participation in competitive sport	To give children the chance to participate in competitive sport.	Cluster events – Steven Jeff (organizer) Steven organizes local cluster events between schools. Barwic have participated in cross country, netball, hockey, athletics, multi-skills and football competitions across the whole school.	£250	Children experience competition to build resilience and ability. Improved confidence and teamwork skills. Competitions from this year have informed the curriculum for next year as children will experience the sports featured in the competitions in their PE lessons (or after-school clubs) before each competition. After covid prevented competition for such a long time, it has been a huge impact to allow children the opportunity to experience competition from children in other schools.
		Transport to and from events	£400	Allowing children to travel to and from various local events to enable the impacts mentioned above.
sSwimming	To catch up on swimming provision	Y5 to be assessed for swimming ability. <ul style="list-style-type: none"> • Survey • In-pool assessment Summer Term – 10 weeks of lessons – catch up Year 4s who need catch up from Aut 1 to take up available spaces in this booking where possible.	£2600	All children in Year 5 were assessed in their water competence to measure their skills and swimming level. This information was then passed to Selby Leisure Centre to better inform them of the children they would be coaching and to make the 13 lessons more efficient. 21x Year 5 Children passed the NC expectations during these sessions.
