Getting Started

To get MarvellousMe, you need a Parent Join Code from your child's teacher. This creates a special bond between you, allowing them to send you wonderful news about your child's day at school.

Please ask your child's school or teacher to give you a code.

The form is titled 'MARVELLOUS ME' and contains a section for the Parent Join Code. The code '12345' is entered. Below the code, it says 'Sign up at www.marvellousme.com or download the app on Apple and Android devices.' The form also includes a 'To sign up:' section with instructions to download the app from the App Store or Google Play, and a 'Please return for my records' section with a line for the parent's name and a line for the child's name. At the bottom, there is a section for the parent's signature and name.

- Download the **MarvellousMe for Parents** app from the App Store or Google Play Store. **It's free!**
- Or sign up via your internet browser.
 - Go to www.marvellousme.com
 - Tap 'Get Started'.
 - Tap 'Parents'.
 - Tap 'To sign up and use MarvellousMe on your PC'.

We recommend using the Apple or Android app, so that you receive the instant notifications.

If you are using MarvellousMe on a PC, or Windows device, please toggle to receive email alerts in 'Settings.'

Tap 'Sign up'.

Enter your join code.

**Enter your name, email
and make up (and
confirm) a password.**

A smartphone screen showing the Marvellous Me sign-up interface. The screen has a blue background with a white header containing the Marvellous Me logo. Below the header, there is a white text prompt: "Please enter your details and tap 'Sign up'." followed by three input fields: "Your name" (containing "Adrian"), "Your email" (containing "parentemail@marvellousme.com"), and "Your password" (containing two rows of dots for password confirmation). A green "Sign up" button is at the bottom of the form. Below the form is a white bar with a blue link "Back to log in.".

Please enter your details and tap 'Sign up'.

FAQs

Q: How do I get a join code for my child?

A: Please ask your child's teacher or school for the code. We don't give them out directly to parents for safeguarding.

Q: What devices can I use MarvellousMe on?

A: MarvellousMe works best on Apple and Android phones and tablets, providing instant notifications. For desktop, or Windows devices, you can access it via the web browser. We recommend using Chrome.

Q: How do I switch on notifications on my Apple or Android app?

A: If you didn't accept notifications when you downloaded the app, you can either reinstall it, or configure notifications in your device's main Settings. We recommend choosing the 'Persistent' alerts setting.

Q: Do I need to sign up again to add a second child, or more children?

A: No, you just need to sign up to MarvellousMe once. You then tap the 'Add Child' button, to add the codes for additional children.

Q: Can my partner and child's grandparents use the app too?

A: Yes, you can invite people you trust to join up. Either give them the same code that you used, or invite them by tapping 'Share you app' in 'Settings'.

Q: Can I message teachers back?

A: No, we have restricted this to save teachers from inbox overload and extra work. Please Hi5 teachers back, to show them that you have read their news and appreciate them keeping you better informed.

Q: How safe is MarvellousMe?

A: Very. All data is encrypted to industry standards and best practice. Data is hosted in full compliance with the Data Privacy Act.
